

A CME Teaching Activity

Classic Lectures in Pathology: What You Need to Know

# Hematopathology

Release Date: January 1, 2019 | 7.0 AMA PRA Category 1 Credit(s)<sup>TM</sup>

## About This CME Teaching Activity

This CME Activity offers a practical review of hematopathology combining basic to advanced techniques, pearls and pitfalls to pathologic diagnosis and case reviews.

## Target Audience

This CME activity is intended and designed to educate pathologists.

## Scientific Sponsor

Educational Symposia

## Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 7.0 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All activity participants are required to take a written or online test in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 Credit(s)<sup>TM</sup>  
for this activity may be claimed until December 31, 2021.

This CME activity was planned and produced by Educational Symposia, a leader in continuing medical education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

## Educational Objectives

At the completion of this CME teaching activity, you should be able to:

- Discuss the new WHO Criteria for the diagnosis of myeloid neoplasms in blood and bone marrow.
- Achieve a more practical approach to lymphoid disorders in blood and bone marrow.
- Learn key features/clues to unique lymphoid disorders in blood and bone marrow.
- Appreciate WHO criteria and testing recommendations for acute + chronic lymphoid neoplasms.
- Understand progress in AML classification.
- Appreciate strategies for blast enumeration and dysplasia assessment.
- Develop list of required tests in AML, MDS, MDS/MPN and MPN.
- Recognize newly proposed AML subtypes and newly proposed entities for other categories of myeloid neoplasms.

*No special educational preparation is required for this CME activity.*

Classic Lectures in Pathology: What You Need to Know

# Hematopathology

## Faculty

### Steven D. Billings, M.D.

*Professor*

*Cleveland Clinic Lerner College of Medicine*

*Staff Pathologist*

*Cleveland Clinic, Department of Anatomic Pathology  
Cleveland, OH*

### Kathryn Foucar, M.D.

*Distinguished Professor*

*Department of Pathology*

*Clinical Pathology/Hematopathology*

*The University of New Mexico Health Science Center  
Albuquerque, NM*

## Program

### Session 1

Overview of Acute Myeloid Leukemia  
and Chronic Myeloid Neoplasms:  
2016 Strategies

*Kathryn Foucar, M.D.*

### Session 2

Myeloplastic Syndromes and  
Mimics: New Names, New Traps

*Kathryn Foucar, M.D.*

Lymphoid Disorders in Blood and  
Bone Marrow: A Stepwise  
Diagnostic Approach (WHO 2016) -  
Part 1

*Kathryn Foucar, M.D.*

### Session 3

Lymphoid Disorders in Blood  
and Bone Marrow: A Stepwise  
Diagnostic Approach (WHO 2016) -  
Part 2

*Kathryn Foucar, M.D.*

Lymphoid Disorders in Blood  
and Bone Marrow: A Stepwise  
Diagnostic Approach (WHO 2016) -  
Part 3

*Kathryn Foucar, M.D.*

### Session 4

Vascular Tumors: An Update  
*Steven D. Billings, M.D.*
