About This CME Teaching Activity
This CME teaching activity is designed to provide a practical yet in-depth review of the latest trends, protocols and advances in clinical nuclear medicine. Case based lectures emphasize modern techniques, tips and pitfalls with concentration in clinical diagnosis and patient management.

Target Audience
This activity should benefit nuclear medicine physicians and radiologists. It should also benefit physicians who supervise and interpret nuclear medicine procedures. The activity should also prove valuable for physicians who order these studies.

Scientific Sponsor
Educational Symposia

Educational Objectives
At the completion of this CME teaching activity, you should be able to:

• Apply state-of-the-art protocols to assess a variety of disorders to clinical practice.
• Discuss current and future directions of nuclear medicine studies.
• Describe the role of nuclear medicine imaging when used to identify and treat cancers.
• Explain the expanding role of nuclear medicine studies in the detection and management of pulmonary, breast, abdominal and brain disorders.

No special educational preparation is required for this CME activity.

Accreditation
Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 11.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SA-CME: Credits awarded for this enduring activity are designated “SA-CME” by the American Board of Radiology (ABR) and qualify toward fulfilling requirements for Maintenance of Certification (MOC) Part II: Lifelong Learning and Self-assessment.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 Credit(s)™ for this activity may be claimed until September 30, 2019.

This CME activity was planned and produced by Educational Symposia, a leader in diagnostic imaging education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.
